

INDEX

TO VOL. XLI (VOL. XVII. THIRD SERIES) OF THE AMERICAN
JOURNAL OF PHARMACY.

Abietit.....	419
Acid, ellagic from gallic acid.....	141
Acidum hydriodicum dilutum.....	41
Acid-proof cement.....	332
Acid, valerianic.....	33, 302
Acid, tannic, quantitative determination of.....	193
Aconitia and pseudo-aconitia.....	314
Action of light on citrate of iron and quinia.....	329
Action of carbolic acid on reptiles.....	414
Action of boiling acid and alkaline liquids on glass and porcelain.	428
Additional note on soap liniment.....	222
Additional note on Vermont opium.....	23
Adulterated opium.....	1
Adulteration of precipitated sulphur.....	248
African tragacanth	439
Alcohol from lichens.....	17
Alcoholic narcotic extracts	313
Alcohol, its purification by permanganates.....	38
Alkaloid by fermentation.....	299
Alkaloids from the wood of nectandra rodiei.....	454
Allyl compounds.....	302
American Pharmaceutical Association, notice of meeting of.....	371, 468
Ammoniacal extract of valerian in capsules.....	207
Ammoniacal gas from mushrooms.....	558
Ammoniated tincture of lupulin.....	415
Ammonia, bicarbonate of, in pharm. preparations.. ..	294
Annual report of the Surgeon General U. S. Army, 1868.....	93
Annual international art exhibition in England	574
Apomorphia.....	449
Apparatus for spreading plasters	455

<i>Arnold, A. B., M.D.</i> , on a case of poisoning by cyanide of potassium.....	137
Aromatic sugar.....	118
Aromatic sulphuric acid.....	247
Arrow root.....	301
Artesian water at Charleston, S. C.....	333
Arsenical spring water in New Jersey.....	32
Assay of peruvian bark.....	22
Assay of opium.....	21
Assay of glycerin.....	206
Association of Medical Journalists.....	375
Atropia, accidental poisoning by.....	84
Atropia, criminal poisoning by.....	136
Atropia, effects of.....	203
<i>Attfield, Prof. John</i> , on sulphate of potassium in ergot.....	246
“ “ on aromatic sulphuric acid.....	247
“ “ on adulterated precipitated sulphur.....	248
Austrian Pharmacopœia, the new.....	475
Bad drugs.....	81
<i>Bedford, P. W.</i> , on syrupus lactucarii, U. S. P.....	48
“ “ on the morphia strength of commercial opium.....	159
Belladonna as an anti-gallactic.....	29
Belladonna plaster, on a new.....	348
Behaviour of mannite to alkaline solutions of copper.....	317
Betain, a new vegetable base from beet root.....	559
Bicarbonate of ammonia as a pharmaceutical preparation.....	294
<i>Bigelow, Dr. J. W.</i> , letter relative to svapnia.....	224
Bismuth metallic.....	165
Bismuth, detection of phosphate of lime in subnitrate of.....	129
Bite of the centipede.....	124
<i>Blachez, M. Amedee</i> , on a new falsification of saffron.....	323
<i>Blas, M.</i> , Thévétin.....	310
Boracic acid springs in Tuscany.....	556
<i>Bowman, Henry K.</i> , on the quantitative determination of tannin in the vegetable astringents.....	14
<i>Bringhurst, Ferris</i> , on the use of yellow wax in ointments.....	59
British Pharmaceutical Conference.....	474, 571
Buckthorn berries, coloring principle of.....	321
Burgundy pitch and caoutchouc plaster.....	208
Bumping of boiling liquids.....	422, 527
Bushby's pill machine.....	62
<i>Campbell, Samuel</i> , on a new process for fluid extracts, by which any drug may be exhausted by percolation without heat.....	385
Campbell's method of percolation, on.....	525
Camphor as a preventive to oxidation.....	30
Caranna gum.....	231
Carbolic acid as a poison.....	126

Carbolic acid or coal tar creosote.....	259, 353
Carbolic acid plaster.....	349
Carbolic glycerin and plaster.....	92
Catalpa bark.....	28
Catalogue of the class of the Philadelphia College of Pharmacy.....	94
Cativa de mangle.....	236
Castor oil and glycerin pomatum.....	398
Cedars of Lebanon.....	435
Chemical accuracy.....	133
Chemical composition of canaüba wax.....	207
Chicago meeting of the American Pharmaceutical Association.....	469
Chloroform.....	19
Chrome alum, utilization of.....	256
Chickering, Jr., Rev. J. W., on the flowers of early spring.....	436
Chloral a new anæsthetic.....	447
Cholera, source of in India.....	20
<i>Close, Geo. C.</i> , on salts of conia.....	61
Cod-liver oil, etherized.....	176
Collodion for protecting silver wares.....	371
Collodium tannatum.....	404
Coloring principles of buck-thorn berries.....	331
Coloring matter of claret.....	239
Conia, salts of.....	61
Commercial hydrargyrum cum creta.....	43
<i>Commaille, M.</i> , on kreatinin, an index of putrefaction.....	131
Compound syrup of wild cherry bark.....	391
Confection of senna.....	156
Contamination of hydrochloric acid with sulphuric.....	50
Conspectus of the medical sciences.....	190
Conchinin.....	421
Copalchi bark.....	417
<i>Cotelle, M.</i> , on a new apparatus for concentrating sulphuric acid.....	561
<i>Covell, T. J.</i> , on unguentum hydrargyri nitratis.....	211
<i>Creecy, William P.</i> , on quinia pill mass.....	7
Criminal abortion, its natural evidence and laws.....	91
Criminal poisoning by atropia.....	136
<i>Crookes, William Esqr.</i> , F.R.S., on chemical accuracy.....	133
Crystallized nitrate of mercury in pharmacy.....	202
Crystallized digitalin.....	315
Culture of opium in the United States.....	120
Cupido bark of Venezuela.....	417
<i>Curtman, Dr. Charles O.</i> , on a pharmaceutical still.....	197
“ “ “ on tinctura iodinii decolorata.....	345
Cyanide of potassium, case of poisoning by.....	137
Cypripedium among senega.....	20
Cytisina.....	547

Darby's propylactic fluid.	396
Death from atropia through the ignorance of an apothecary.....	84
Decolorized tincture of iodine.....	345
Definitions of the materia medica list in U. S. Pharmacopœia.....	519
Deposit in fluid extract of cloves, crystalline.....	47
Detection of phosphate of lime in subnitrate of bismuth.....	129
Detection of adulteration in olive and almond oils.....	132
Detection of picrotoxin in beer.....	369
Detection of prussic acid in the blood.....	465
Dichloro-acetic acid as a cauterizer.....	19
Digitalin in American digitalis.....	55
Digitalin, crystallized.....	315
Diehl, C. Lewis, on fractional percolation.	337
Discussion of the drug law at the Chicago meeting	496
Donovan, M., on the process for preparing James' powder.....	529
Double salts of carbolic acid.....	444
Drug law, the.....	579
Drug law proposed at the Chicago meeting.....	562
Duckworth, Dr. Dyer, on a new preparation of lupulin.....	415
Duffield, Dr. S. P., process for fluid extracts.....	2
" " " on the relative proportion of digitalin in European and American digitalis.....	55
" " " on the preparation of pyrophosphate of iron.....	58
Dunn, John A., on acidum hydriodicum dilutum.....	41
Eberle, Charles L., on gelseminia.....	35
" " on suppositories.....	53
Ecole pratique des haut etudes, Paris.....	13
Editorial department.....	81, 182, 280, 371, 469, 569
Effects of atropia.....	203
Ellagic from gallic acid.....	141
Ellis' medical formulary.....	90
Elixir of calisaya, iron and bismuth.....	219
Emetia, preparation and properties of.....	307
Emmerling, Dr. A., on the action of acids and alkalies on porcelain and glass ware.....	428
Emulsion of medicinal oils.....	204
Emulsion of cod-liver oil.....	238
Engleman, George, Jr., on chloral as a new anæsthetic.....	447
Ergot, sulphate of potassa in.....	246
Essential principles and practice of medicine	191
Essence of sassafras.....	429
Essential oil of cochlearia officinalis.....	464
Estimation of unsaponified fat in soap.....	22
Estimation of potassa in technical laboratories.....	239
Etherized cod-liver oil	176
Eucalyptus globulus.....	300
Extract of meat.....	157

Extractum Pepo Fluidum.....	195
Exhibition at the Chicago meeting.....	569
<i>Faber, John</i> , on pharmacy in the United States.....	399
<i>Fairthorne, Robert F.</i> , on an acid proof cement.....	332
Falsification of gum balls.....	16
<i>Felletar, Dr. Emil</i> , on capsicina.....	432
Filtration-under pressure.....	412
<i>Fittig, Rudolph</i> , and <i>W. H. Mielck</i> , on piperinic acid.....	427
<i>Fleck, Dr. H.</i> , on the substitution of sodium for phosphorus in lucifer matches.....	257
Flint's practice of medicine.....	91
Flora of Palestine and Syria.....	433
Flowers of early spring.....	436
<i>Flückiger, Dr. F. A.</i> , on African tragacanth.....	439
“ “ “ on arachis hypogæa.....	464
Fluid extract of frostwort.....	28
Fluid extract of cloves, deposit in.....	47
Fluid extract of liquorice root as an excipient for quinia	117
Fluid extract of pumpkin seed.....	195
Fluid extracts, Campbell's process for.....	385, 525
Fownes' chemistry, new edition.....	478
Fractional percolation.....	337
French brandy.....	554
Fusing points of fats.....	22
Fusing and congealing points of fats.....	430
Fusibility of volatile metals.....	423
<i>Gardner, Robert W.</i> , note on pyrophosphate of iron.....	215
“ “ “ elixir of calisaya, iron and bismuth.....	219
Gas generators.....	297
Gelatin coated pills.....	476
Gelseminia.....	35
Gleanings from American Journals.....	27, 124
Gleanings from foreign journals.....	14, 204
Gleanings from German Journals.....	19, 238, 297
Glycerin as a solvent of starch, sugar and gum.....	16
<i>Glycerin crystallized</i>	17
Glycerin used as a bath.....	17
Glycerin as an excipient for pills.....	119
Glycerate of tar.....	115
Graeger on the manufacture of borax.....	549
<i>Graham, Prof. Thomas</i> , on hydrogenium and the relations of platinum and palladium	177
<i>Grimaux and Ruotte</i> , on essence of sassafras.....	429
Groundnut from arachis hypogæa.....	464
<i>Groves, T. B.</i> , on senna.....	65
“ “ “ on liquor opii sedativus.....	160

Gum sennaar distinguished from gum arabic.....	419
Gun cotton, new property of.....	169
Haofash, a new styptic.....	31
Hair and hair dyes.....	171
<i>Hand, Charles</i> , extractum pepo fluidum.....	195
<i>Harrop, Joseph</i> , on fluid extract of liquorice root as an excipient for quinia, 117	
" " improper use of titles.....	221
<i>Harz, Dr. C. O.</i> , production of opium near Berlin.....	311
<i>Hinrichs, Gustavus</i> , on filtration under pressure.....	412
<i>Hirsh, Joseph</i> , on carbolic acid plaster.....	349
History of the medical department of the University of Pennsylvania.....	188
Historical memoirs of the Philadelphia College of Pharmacy.....	97
Honorary members of the Philadelphia College of Pharmacy, new.....	561
<i>Hornsby, Mr. G. G.</i> , on the detection of phosphate of lime in subnitrate of bismuth.....	129
Hot springs of Arkansas.....	27
<i>Hough, J. B., M. D.</i> , sponge tents.....	446
How snuff is made.....	555
<i>Hubschmann, M. F.</i> , on aconitia and pseudo aconitia.....	314
Hufeland's powder.....	391
<i>Husband, T. J., Jr.</i> , on the leaves of podophyllum peltatum.....	200
<i>Husemann, Aug.</i> , on cytisina.....	547
<i>Hutchison, Hamilton</i> , on crystallized nitrate of mercury.....	202
<i>Hutton, W. R., Esq.</i> , on the igniting points of some commercial products, 252	
Hydrargyrum c. creta.....	43
Hydrated silicate of magnesia.....	405
Hydrated oxide of iron, soluble in sugar syrup and glycerin.....	326
Hydrocyanic acid vapor, new test for.....	174
Hydrogenium.....	177
Igniting points of the vapors of some commercial products....	253
Improper use of titles.....	221
Improved apparatus for subliming benzoic acid.....	21
Improved mode of manufacturing glucose from starch.....	429
Improved preparation of neutral acetate of copper.....	448
Impurity in commercial chloroform.....	206
India the great nursery of cholera.....	28
Indelible ink.....	404
Influence of oil of sassafras on tobacco.....	451
Influence of drying on the active principles of plants.....	319
Inhalation of nitrous oxide with oxygen.....	126
Iodated milk.....	405
Iodine and iron alum water.....	31
Iodide of cadmium as a reagent for alkaloids.....	18
<i>Ipecacuanha</i> of Brazil, assay of.....	305
<i>Ipecacuanha</i> of New Grenada, assay of... ..	305
Isophloridzin.....	419

<i>Jean, M. F.</i> , note on the utilization of chrome alum.....	256
<i>Jenkins, Dr. T. E.</i> , on glycerin as an excipient for pills.....	119
" " " on carbolic glycerin and plaster.....	292
<i>King, James T.</i> , on an adulteration of opium.....	1
<i>Kirk, John, M.D.</i> , on the copal of Zanzibar.....	441
<i>Köhler, Dr. H. and Dr. H. Hornmann</i> , on hydrated oxide of iron soluble in sugar syrup and glycerin.....	326
<i>Kral, Franz J.</i> , of Prague, on the preparation of narcotic extracts.....	313
Kreatinin, an index of putrefaction.....	131
Labarraque's wine of quinium.....	123
<i>Lactuca elongata</i>	145
<i>Lactucarium</i> syrup.....	48
<i>Leche de sande</i>	126
<i>Lefort, M. J.</i> , on the deposit in fluid extract of cloves.....	47
" " comparative examination of Brazillian and New Granada ipecac.....	305
" " on the preparation, properties and composition of emetia...	307
Legislation for pharmacy in Pennsylvania.....	182—280
Legislation for pharmacy in Ohio.....	184
Legislation for Pharmacy in North Germany.....	371
<i>Lehman, Peter K.</i> , notice of.....	104
<i>Lehman, William</i> , notice of.....	103
Letter of Charles Ellis, resigning the Presidency of the Philadelphia College of Pharmacy.....	277
Lemon juice and its decomposition.....	75
Liability of druggists.....	127
Liquor opii sedativus.....	160
Liquor bismuthi.....	153
Liquid sulphurous acid.....	328
List of graduates of the Philadelphia College of Pharmacy, 1869.....	273
List of contributors to the building fund of the P. C. Pharmacy.....	182—287
<i>Lewellyn, J. F.</i> , on the deposit in fluid extract of cloves.....	47
<i>Löwe, M. J.</i> , on the formation of ellagic acid by means of gallic acid.....	141
Lupulin, on a new tincture of.....	415
<i>Mahla, Dr. F.</i> , on a new mode of preparing sulphate of manganese.....	357
<i>Maisch, Prof. John M.</i> , gleanings from the German Journals..19, 238, 297, 417	
" " " on the milky juice of <i>lactuca elongata</i>	145
" " " on some Panama drugs.....	230
" " " on the nomenclature and definitions of the U.S.P..	519
Manufacture of chlorine from perpetually regenerated manganite of cal- cium.....	538
Manufacture of borax from borate of lime.....	549
<i>Markos, G. F. H.</i> , on the removal of odorous compounds from alcohol by permanganates.....	38
" " on liquor bismuthi.....	151
" " on confection of senna.....	156

<i>Martensen, Dr.</i> , on the quantitative estimation of tartaric acid.....	325
<i>Martindale, William</i> , on carbolic acid plaster.....	153
" " on a new plaster-spreading apparatus.....	455
Maryland College of Pharmacy.....	186
Massachusetts College of Pharmacy.....	374
<i>Marshall, Charles</i> , notice of.....	102
<i>Matthiessen, Dr., F.R.S., and Mr. Wright</i> , on apomorphia.....	449
<i>Maubre, M.</i> , on an improved method of manufacturing starch glucose.....	429
Means of preventing the bumping of liquids.....	422
Meeting of the Alumni of P. C. Pharmacy, 1869.....	186
Medical botany in Canada.....	126
Metallic bismuth.....	165
Meeting of the American Medical Association.....	376
Meeting of the American Pharmaceutical Association.....	569
Metrical weights in England.....	379
Mercurialina.....	417
<i>McDonald, George</i> , critical note on permanganate of potassa as a means of distinguishing chlorine, iodide and bromine.....	393
<i>Mill, James W.</i> , on tinctura ferri chloridi.....	457
<i>Milleman, Philip L.</i> , on the preparation of deodorized tincture of opium..	4
Milky juice of lactuca elongata.....	145
<i>McClagan, Dr. Douglass and Dr. Arthur Gamgee</i> , on the alkaloids in the wood of nectandra rodiei.....	453
Minutes of the Philadelphia College of Pharmacy.	273, 561
<i>Moore, J. B.</i> , on syrup of tar.....	6
" " on glycerate of tar.....	115
" " on soap liniment.....	121
" " additional note on soap liniment.....	222
" " on tinctura opii.....	406
Morphia strength of commercial opium.....	159
<i>Müller, Hugo</i> , on means of preventing the bumping of boiling liquids.....	422
Naphthalin converted into benzoic acid.....	552
National Pharmacopœial Convention of 1870.....	375
<i>Nativelle, M. C. A.</i> , on crystallized digitalin.....	315
Nectandria.....	354
New test for nitrates and chlorates.....	20
New uses of carrageen.....	128
New property of gun cotton.....	169
New test for hydrocyanic acid in vapor.....	174
New use of mica.....	206
New falsification of saffron.....	323
New belladonna-plaster.....	348
New and simple process for fluid extracts without heat.....	385
New plaster spreading apparatus.....	455
New properties and uses of naphthalin.....	550
New apparatus for concentrating sulphuric acid.....	560
New York Apothecaries Act of 1868.....	377

Nitrate of mercury in pharmacy	202
Nitric ether.....	419
Nitrite of potassa in saltpetre.....	20
Nitro-phenic acid.....	466
Nomenclature of the U. S. Pharmacopœia.....	519
Note on an adulteration of opium.....	1
Note on quinia pill mass.....	7
Note on confection of senna.....	156
Note on pyrophosphate of iron.....	215
Note on capsicina.....	432
Note on lemon juice and its decomposition.....	75
Novel mode of catching mice.....	5
Obituary, <i>Dr. Von Martius</i>	192
" Edwin R. Smith.....	192
" John E. Corbidge.....	192
